PROFESSIONAL PROFILE

Cross-disciplinary designer and UX Design master's student with experience in service research, stakeholder analysis, visual communication, and creative production. Skilled at translating complex information into actionable service concepts, collaborating across teams, and connecting digital and physical experiences. Interested in brand development, consumer experience, and cross-functional business initiatives.

EDUCATION

Master of Information (MI), User Experience Design | University of Toronto *Expected Jun 2027*

Bachelor of Fine Arts (BFA), Interior Design | Savannah College of Art and Design (SCAD) *Completed 2025*

Minor: Production Design / Architectural History

PROJECTS

Service Design Project — OACAO Links2Wellbeing | University of Toronto *Jan–Apr 2026*

- Mapped stakeholder needs and the service ecosystem to support the design of a Knowledge Hub for information sharing and collaboration.
- Developed future-state service blueprint materials and a three-phase implementation roadmap, considering platform governance and long-term sustainability.

Service Design Collaboration — BMW Group × SCADpro | SCADpro *Mar–Jun 2024*

- Conducted competitive research and benchmarked approaches to organizational innovation and collaboration.
- Created stakeholder maps and employee journey maps to synthesize cross-functional relationships and communication touchpoints.
- Led the structure and visual development of service blueprint deliverables; project details remain confidential under NDA.

EXPERIENCE

Production Team Intern — Great Escape (密室大逃脱) | Mango TV *Jul–Aug 2023*

- Designed and produced clue-based props for a large-scale entertainment production, coordinating practical requirements with the filming team.
- Supported on-site execution and communicated with multiple production departments to address time-sensitive needs.

Production Workshop / Stagecraft Team Member | SCAD Production Shop *Jan 2022–May 2025*

- Supported stage construction and technical preparation for university theatre productions, including scenic fabrication, painting, and lighting-related setup.
- Collaborated with production teams to execute creative concepts within technical and scheduling constraints.

Marketing & Design Intern | Meng Jinghui Theatre Studio *Dec 2021–Mar 2022*

- Produced promotional graphics for live performances and designed merchandise and product imagery for online retail.
- Assisted with merchandise sales and WeChat public-account content operations, linking creative assets with audience-facing communications.

SKILLS

Research & Strategy: Competitive research, stakeholder mapping, journey mapping, service blueprinting, UX research, service roadmapping

Creative & Production: Visual communication, content design, experience design, on-site production coordination, lighting and motion design

Tools: Adobe Photoshop & Illustrator; Revit, Enscape; SketchUp, Rhino (basic); grandMA2, ETC lighting consoles; After Effects and CapCut (basic); Microsoft Office

AI Tools: Midjourney (visual ideation), Codex (web/prototype development), Gemini (research/data analysis/coding support), Claude (research and content organization)

Languages: Mandarin Chinese (native); English (professional fluency); French (basic conversation)

AWARDS

International Design Awards (IDA) — Honorable Mention | Academic merit scholarships (high school and university)
